Community Newsletter ----- July 2013

Single Stream Curbside Recycling:

- The Village of Odessa will be participating in the Curbside Recycling Program offered through Loraas Disposal. This will take place on a bi-weekly collection basis to allow the capacity of the cart to be utilized most efficiently.
- With this program, Loraas Disposal can help divert approximately 85% of your household waste from your local landfill while providing an easy method of recycling.
- The cost to haul massive amounts of waste to the landfill will be increasing in years to come, with this new program, we will be able to cut these costs and save our tax payers their hard earned money.
- If you have any questions or concerns, please do not hesitate to contact the Village Administrator during regular office hours.

Community:

- **This is a reminder to everyone on the road; Please drive slowly as there are children playing outdoors.**
- **Please ensure that all pet feces is picked up and disposed of when walking your leashed pet.**
- The next Blood Donor Clinic is scheduled for October 22, 2013 from 4:00 – 8:00 p.m. The last clinic was a great success, but the few before were a little slow so they cut down on our chairs. We highly recommend everyone make their appointments as early as possible as we would like as many chairs booked as possible. The number to book an appointment is 1-888-236-6283.
- The annual Fall Supper is October 27, 2013 in the Odessa Community Hall.
