NOTICE - The Village of Odessa has adopted a new building permit policy, all permits fees must be paid before a building permit will be issued.

Dear Odessa Community, for a while the daycare centre has been dealing with children who are breaking toys, stealing and what we believe is acts of vandalism. These children are not from the centre and are doing this after the centre is closed and on weekends. These children have been pulling out the flowers that the children grew over the winter and took pride in planting, as well as coming inside the fence and playing with, breaking and taking toys home with them. The centre is not liable for the children and cannot be held responsible if something happens to the children. However, the parents of the daycare children who attend will be taking the hit for fee increase to help cover the costs of the damages that the children are doing to the centre and its belongings, which I believe is not acceptable. We The Centre are hoping that with knowledge of this we as a community can help take control of this matter.

Thank you

The Staff and children from Just Like Home Daycare
