

VILLAGE OF ODESSA

Box 91 Odessa, Saskatchewan. S0G 3S0

Community Newsletter ----- June 2017

Canada's 150 Anniversary Celebration Tidy up Request: The Village of Odessa council, committees and staff are working hard to get everything looking good for The July 7& 8 celebration weekend. We are requesting all residents help in making Odessa look as beautiful as it can by trimming any overgrown weeds or grass on and in front of your property. We also ask that you trim any bushes or trees that may be growing over the sidewalk as we hope the walking traffic in the Village will be heavy over the weekend. We thank you in advance for your anticipated cooperation.

Village Weed Control: Village of Odessa council and staff would like to make everyone aware that we will be applying a Herbicide to some problem areas in town. We will be posting signage to the areas treated so please keep your eyes out. Note to parents: please explain to the younger children who cannot read to pay attention for signs and stay off of the areas that have them. (The herbicide used is safe as soon as it is dry)

Tree/Bush Trimming: The Village maintenance man will be tending to some low hanging trees in ally ways and roadways to ease his access to cutting and trimming this summer. If you would like to tend to this yourself please do so as soon as possible as our staff will be starting this work the week of July 26th, 2017.

Odessa Emergency Responders: The Odessa Fire Fighters and First responders are requesting all residents be sure their house number is clearly posted at the front of their property, in the case of an emergency every minute counts so any time saved not confirming a civic address is helps.

Nuisance Material: Village staff is requesting that all grass clipping and garden materials be properly disposed of at the Village Nuisance grounds or in your Loraas Grey Bin. Clippings are not to be dumped in ally ways or any of the Village green space. Please see the reverse of this news Letter for the list of items we accept and **don't** accept at the Village nuisance grounds. Please pay special attention to the items we **don't** accept. It would be a real shame to lose the Nuisance Ground operating permit over unacceptable items being dumps.

Maintenance Worker: Village Council and Administration are Happy to Welcome Kevin Lockert to the team. We are looking forward to working with Kevin and invite you all to say hi and welcome him when you see him around town.

Business Hours:
Monday Night: 6-9 p.m.
Wednesday: 9-12 p.m. and 1-4 p.m.
Thursday: 9-12 p.m. and 1-4 p.m.
