Streets & Roads in Winter:

Village council and staff would like to remind residents, that in order to provide the best snow removal services, all unused and/or unregistered vehicles including recreational vehicles and campers or any other obstructions must be removed from Village streets.

Automatic dialling system:

Village staff is requesting feedback on the interest of an automatic dialling system. This system would allow for any emergency situations like water turn offs to be communicated to Village residents within a few minutes. It can also be for other applications like tax discount reminders. The fee for this service is around \$2,500.00 per year. Please contact the village office to let us know if this is a service you would like to see or if you feel it is not necessary. 306-957-2020.
