

VILLAGE OF ODESSA

Box 91 Odessa, Saskatchewan. S0G 3S0

Community Newsletter ----- September 2018

NOTICE – Bylaw No. 1/2004: states all cats must be restrained on your property. Fines will be administered for cats running at large and cats defecating on public and/or private property. Please respect your neighbours and keep your animals confined to your property.

Parking Bylaw No. 22/64: section 9 subsection 1-2 states all vehicles must park parallel to the sidewalk (other than the designated angle parking area on Main Street). The Village is requesting you park your vehicles parallel to the sidewalk to comply with the Parking Bylaw. We are also requesting all unused/un-registered vehicles be removed from the streets.

Bylaw No. 3/2002: Notice to all dog owners. The Village Office has received numerous complaints in the last couple months about dogs walking and urinating or defecating on people's private property. We request that everyone keep your dog on a leash, so you can control them easily, and to keep them from walking on other people's lawns.

Odessa Daycare: The Village of Odessa is sad to see the closer of our Daycare. We understand this is an asset in our Village and we are working toward opening a Village owner facility. We have put in our application but have been told it can take some time before we will be approved. If you have any questions please feel free to contact the office.

2017 Reports: The 2017 Audited Financial synopsis and 2017 Water Reports are available for viewing in the Village Office.

Crested Crane Dinner & Catering: The Village of Odessa would like to send a warm Welcome to Crested Crane Dinner & Catering. We wish you all the best in your endeavour.

Fall Clean Up: The Village of Odessa will be renting a large Loraas bin for large item disposal from the weeks of September 22, - October 6th, 2018. The bin will be located at the Village nuisance grounds. We will be open extended hours on September 22 & October 6th from 9:00 a.m. – 2:00 p.m. This bin can be used for mattresses and other large household furniture not accepted in the burning pit. Please continue to place any metal and appliances in the metal pile, concrete in the concrete pile and gardening materials in the burning pit. We will **NOT** be accepting asphalt shingles in the Loraas bin. Please contact the Village office with any questions you may have.

Hydrant Flushing: Village staff will be conducting our bi-annual hydrant flushing this fall. This will cause low pressure while the hydrants are open, if you have any questions please contact the office.

Thank you to all the Volunteers who have contributed their time serving the Village and its Residents. We are all lucky to have such dedicated community members.

Business Hours:
Monday Night: 6-9 p.m.
Wednesday: 9-12 p.m. and 1-4 p.m.
Thursday: 9-12 p.m. and 1-4 p.m.
