

VILLAGE OF ODESSA

Box 91 Odessa, Saskatchewan. S0G 3S0

Community Newsletter ----- September 2019

2018 Reports: The 2018 Audited Financial synopsis and 2018 Water Reports are available for viewing in the Village Office.

Community Centre: The village of Odessa is looking for another bookshelf for the community centre mini library, if you have one in good shape to sell or to donate please contact the village office. Remember all the books are free to residents to take to read but must be returned once done. If you have books you are finished with and would like to donate to the collection let us know.

The Village would like to welcome Alysha Hoffart to the Odessa Community Centre, She will be performing reflexology on September 10 & 16, October 2 & 21, and November 6 & 18, if you are interested in booking an appointment or finding out more you can contact Alysha @ (306) 539-2460 or visit her Facebook page under Healing Touch Reflexology.

Another Welcome to Crafty Corner. Dacie will be opening her photo studio and selling homemade items. To check out products and photography service you can contact Dacie at 306-718-7930. She is also inviting residents to come check out her shop for her opening on October 5, 2019 from 11:00 a.m. – 4:00 p.m.

Hydrant Flushing: Village staff will be conducting our bi-annual hydrant flushing this fall. This will cause low pressure while the hydrants are open, if you have any questions please contact the office.

Rags: The Odessa community Rink is looking for rags as we get ready to start up for another season. If you have old towels you can donate, we would really appreciate it. Pre-cut and ready to use are even better. They can be dropped off at the Village Office or contact Annette Gaetz at 306-957-4323.

Jobs: Just a reminder we have new people moving into the community all the time. If you offer babysitting or any other odd jobs like shoveling snow or fall raking posters with contact information in the community centre and post office go a long way.

Loraas Bin/Extended Dump Hours: The village will once again be getting a 30-yard Loraas bin for fall clean up. The bin will be in the village nuisance ground from October 5 until full. The Nuisance grounds will be open from 9:00 am until noon.

Thank you to all the Volunteers who have contributed their time serving the Village and its Residents. We are all lucky to have such dedicated community members.
